PETER

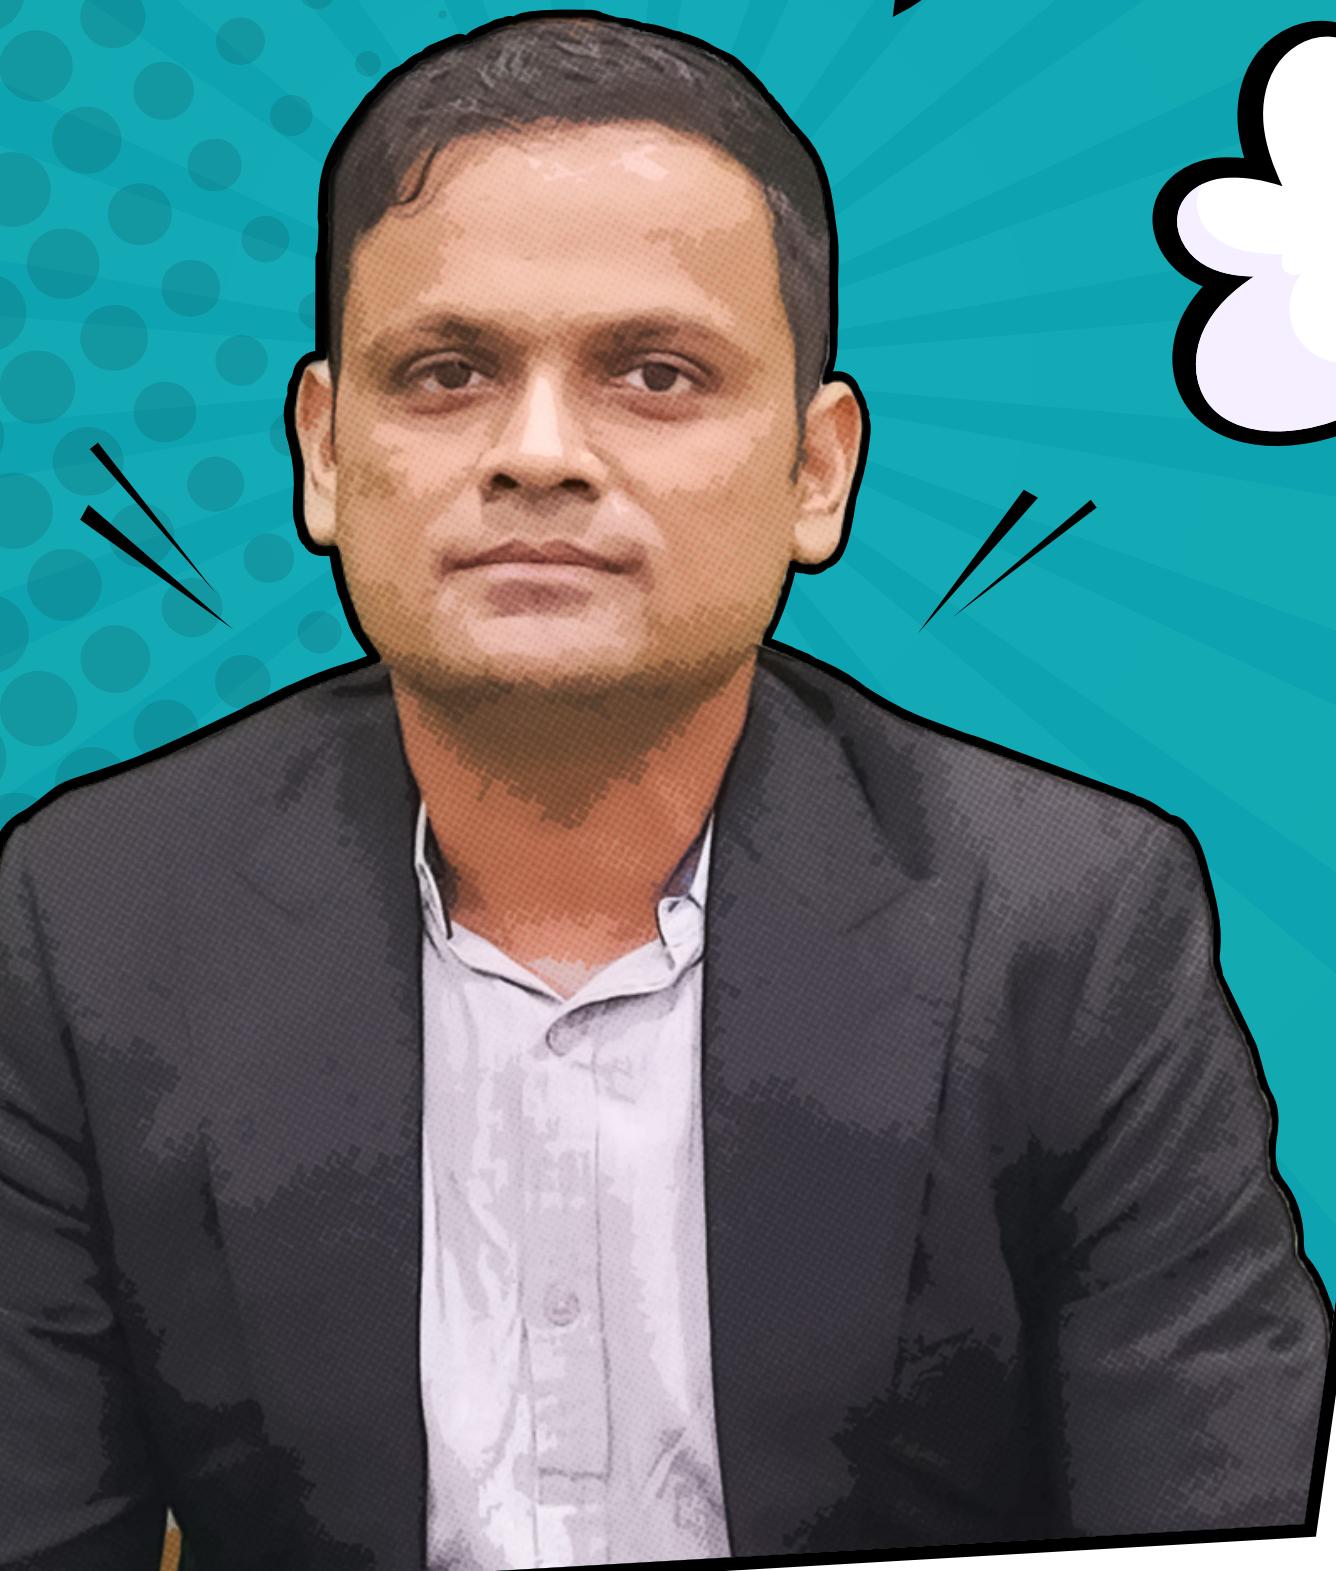

BRUCE, TONY, AND PETER IN A MEETING ROOM DISCUSSING PROJECT GOALS.

We have been operating in tier-2 cities for 2 years now, and still, we have not penetrated market.

Bruce, I suggest we do a deeper analysis on last 6 months.

Makes sense, I want a comprehensive report.

I'm excited! Hope I get this project!

What about Peter?

Yesss!!

Yes, peter can take this up.

I will guide him through.

Thank you,
Bruce

Tony.
I'm
excited.

One more
thing,
Peter.

I have few
ad-hoc
questions, can
you run SQL and
give me quick
answers!

I'll wait for
your mail.

Sure
Bruce,

All the best
Peter, we'll
catch up!
